- Education - Experts Panel with Randy Scorby, Doug Jordan, & Jeff
  - a. Beer judging is recommended to expand your understanding of brewing
  - b. Randy recommends building your own recipe
  - c. Future beer trends: Randy mentioned adjuncts beers, Doug mentioned Brut IPAs, Jeff sees us dialing down volume 22oz may go away down to 16s
  - d. On bottle conditioning vs. keg forced carbonation: Randy does not have a preference in carbonation when it comes to taste, though force carb is his preference to control it. Reduce for serving obviously. Various methods of filling bottles, not as big of a worry when filling from a keg, because headspace doesn't matter. We have a beer gun available. Randy teaches a sensory class.
